Welcome to 6603 Elder Grove Lane! Are you ready for a little more elbow room? You will find it here on a 1.36 acre lot! The spacious home has 6 bedrooms and 4 bathrooms! The main level features an open living/kitchen/dining area with a tray ceiling, accent lighting, and gas fireplace. The kitchen has a granite island, under-cabinet lighting, and a large corner pantry. The primary bedroom has an en-suite bath with two vanity sinks, a tiled shower, and water closet. The primary walk-in closet has doors that access the laundry room. In the basement you will find a large family room, extra storage, and a second set of laundry hookups! Other items of note: 3 car garage, tankless water heater, Pella windows & doors, aggregate window wells, whole house vent fan, covered patio, high producing well, plenty of parking, and underground sprinkling, and room to build a shop.
